

Thank you for making Celebration of Service a success!
Now, Dan has a challenge for you...

We're glad you joined us.

Thank you for honoring Dan Hurley through giving to the community that he serves so passionately. Along with Dan, we are so grateful for your participation in our Celebration of Service, and we look forward to continuing to serve alongside you.

You made an impact..

With your help, Dan's commitment to our community was honored with \$185,000 raised for the **Liz Carter Homelessness Prevention Fund**.

Around 600 Cincinnati families like **Will and Ariana's**, will be able to stay safely in their homes, thanks to your attendance at our Celebration of Service.

Now, Dan has a challenge.

Dan has a challenge for you: "Remain engaged on a nitty-gritty level." Whether you **volunteer** in our food pantry, **donate** to our **thrift stores**, participate in our **Charitable Golf Outing**, make a **financial gift**, or organize a **food drive** at your office, there are lots of ways to continue providing hope to our neighbors in need.
